SECOND SESSION

TWELFTH LEGISLATURE

THURSDAY, FEBRUARY 18th, 1954

This being the First Day of the Second Session of the Twelfth Legislative Assembly of the Province of Alberta, for the despatch of business pursuant to a Proclamation of His Honour the Honourable John James Bowlen, Lieutenant Governor, dated the fourth day of January, 1954.

The Assistant Clerk of the Assembly read the Proclamation as follows:

PROCLAMATION

(Sgd.) JOHN J. BOWLEN,
Lieutenant Governor.

[GREAT SEAL]
CANADA
PROVINCE OF ALBERTA

ELIZABETH THE SECOND, by the Grace of God, of the United Kingdom, Canada and Her other Realms and Territories, QUEEN, Head of the Commonwealth, Defender of the Faith.

PROCLAMATION

To all to Whom these presents shall come. GREETING.

(Sgd.)
LUCIEN MAYNARD,
Attorney General.

{ WHEREAS it is deemed expedient for certain causes and considerations to convene the Legislative Assembly of Our Province of Alberta, WE DO WILL that you and each of you, and all others in this behalf interested, on THURSDAY, the EIGHTEENTH

day of FEBRUARY, A.D. 1954, at the hour of three o'clock in the afternoon, at Our City of Edmonton, personally be and appear for the despatch of business, to treat, act, do and conclude upon those things which, in the Legislature of our Province of Alberta, by the Common Council of our said Province, may, by the favour of God, be ordained.

HEREIN FAIL NOT.

IN TESTIMONY whereof we have caused these Our Letters to be made Patent, and the Great Seal of Our Province to be hereunto affixed.

WITNESS: The Honourable John James Bowlen, Lieutenant Governor of Our Province of Alberta, in Our City of Edmonton, in Our Province of Alberta, this 4th day of January, in the year of Our Lord One Thousand Nine Hundred and Fifty-four, and in the Second year of Our Reign.

BY COMMAND:

(Sgd.) C. E. GERHART,
Provincial Secretary.

Mr. Speaker entered the Assembly and took the Chair.

His Honour the Honourable the Lieutenant Governor entered the Assembly and took his seat on the Throne.

His Honour then read the following Speech from the Throne:

SPEECH FROM THE THRONE

MR. SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY:

It is my privilege and pleasure to welcome you to this Second Session of the Twelfth Legislature of the Province of Alberta.

In recent months, our Province has suffered the loss of two able ministers of the Crown. In the passing of the Honourable John Lyle Robinson, Minister of Industries and Labour, and in the tragic accidental death of the Honourable David Alton Ure, Minister of Agriculture, my Government lost men who served the people of Alberta faithfully and well. On behalf of all assembled, I wish to pay tribute to the memory of both of these men.

At the invitation of my Government, I accompanied the Honourable the Premier to London last June to represent the people of this Province at the Coronation of Her Most Gracious Majesty, Queen Elizabeth the Second. It was indeed a great privilege to witness this significant event of our time. Her Majesty and her husband have found a warm place in the hearts of the people of this Province, who will join with me in extending to them heartfelt good wishes for their health and safety in the travels they now are undertaking in other parts of the Commonwealth.

During the past year, our Province enjoyed the third consecutive year of favourable crop conditions resulting in a three-year record of above-normal agricultural production. Unfortunately, many of our farmers suffered severe losses in

recurring hail and wind storms which caused widespread havoc to crops in many areas and resulted in the Alberta Hail Insurance Board, during the past season, making the highest hail loss payments in its history. The continued increase in production costs and the decline in the prices of farm products is a matter of concern to all. As a measure of practical assistance in solving this problem, my Government will continue to promote a program of balanced diversification in Agriculture to help farmers increase and stabilize farm incomes.

The construction of irrigation works associated with the St. Mary-Milk River Development Project will be continued during the ensuing year. It is anticipated that the Travers Dam will be completed early in the summer providing the Travers-Enchant districts with irrigation waters.

Carrying out the program approved at the last session of the Legislature, vigorous and successful efforts have been made to bring under control the outbreak of rabies in northern areas of the Province. As a result of these concerted efforts by federal, provincial and municipal officials and the citizens in the areas affected, the incidence of the disease has been effectively reduced. You will be asked to approve the continuation of this program until the satisfactory control of this disease has been attained.

To enable the accelerated program of rural electrification to be maintained, you will be asked to approve a substantial increase in the fund established at the last session under The Rural Electrification Revolving Fund Act. The operation of this fund has proven a very real benefit in the extension of rural electrification to over 6,000 new subscribers during the past year.

In keeping with its policy of fostering sound conservation practices in the development of our oil and gas resources, amendments to The Oil and Gas Resources Conservation Act, 1950, will be requested to permit oil production operations, where it is desirable, on a unit basis rather than on a basis of individual well holdings, thereby ensuring the maintenance of underground pressures necessary to lengthen the life of the fields and increase the ultimate recovery of oil.

To supplement this new provision in The Oil and Gas Resources Conservation Act, amendments to The Mines and Minerals Act and The Right of Entry Arbitration Act, 1952, also will be presented for your consideration.

Special legislation will be submitted for your approval establishing a provincial company for the construction and operation of a trunk line gathering system for natural gas within the Province in accordance with the recommendation of the Alberta Petroleum and Natural Gas Conservation Board. These facilities will permit the more effective conservation and use of Alberta's gas resources and will make possible an economic supply of natural gas to many Alberta communities as well as to export markets.

Your attention again will be brought to those measures placed into effect for the protection and preservation of the

forest resources of our Province. The capital program under the Eastern Rockies Forest Conservation Board continued apace during the past year and it is anticipated this program will be completed this year. The aerial survey program being carried out by my Government is near completion and a forest inventory is being prepared to facilitate a general program of forest management and conservation.

In the field of Public Health, you will be asked to approve the emergent actions taken by my Government to relieve the financial burden of those afflicted by the severe epidemic of poliomyelitis which swept our Province during the past year. To provide adequate facilities for the care of those afflicted, you will be asked to authorize the construction of an addition to the University Hospital as a poliomyelitis and pediatric unit.

Your approval will be sought in the establishment of a Research Committee to study the unusual conditions noted in the poliomyelitis epidemics of the past two years and for the training of special personnel engaged in the treatment of poliomyelitis victims.

During the coming year special attention will be given to the problem of pollution of streams and rivers in the Province. Surveys already are under way to determine the most effective measures to prevent this pollution, particularly in respect to industrial waste matters.

An addition to the Cancer Clinic at Edmonton to house the Cobalt Bomb donated to the people of this Province will be completed during the ensuing year. This new equipment will make available to Alberta citizens the most up to date forms of cancer treatment known to medical science.

My Government has entered into an agreement with the Government of Canada with respect to the rehabilitation of disabled persons providing for medical treatment and necessary training to assist them in again becoming self supporting citizens. The cost of these services will be shared equally by the two Governments. Your approval will be sought for an amendment to The Disabled Persons' Pensions Act extending the provisions of this legislation to those suffering from mental disabilities.

In the field of Education, the continuing shortage of teachers, particularly in the remote and isolated areas of the Province, is a matter of widespread concern. Measures designed to relieve this shortage will be submitted for your consideration.

Amendments to The School Act also will be placed before you for your consideration.

To ease the burden of the rising cost of education to municipal taxpayers, you will be asked to approve increased appropriations for school grants.

During the ensuing year, my Government plans to continue an extensive highway program and in this respect, you will be requested to approve very substantial appropriations for main highway and district road construction and maintenance.

In order to provide more convenient service to the public, my Government proposes to transfer the Motor Vehicles Branch from the Department of the Provincial Secretary to the Department of Highways, effective October 1st, 1954. This will place the licensing of all motor vehicles in the province under the administration of one department of government simplifying administration and eliminating unnecessary duplication of facilities.

In an effort to cope with the problem of the increasing number of highway traffic accidents, it is the intention of my Government to extend to the entire Province the program of testing drivers which was instituted during the past year in the major cities. Legislation will be submitted for your consideration providing heavier penalties for violations of traffic regulations.

Legislation will be introduced to establish an Alberta Freight Bureau as a separate branch of government charged with the responsibility of assisting in the transportation problems of producers, processors, manufacturers, distributors, wholesalers, retailers and the consumers of the Province.

A large capital construction program again is contemplated by the Department of Telephones in an effort to meet the unprecedented and sustained demand for telephone service. You will be asked to approve substantial borrowings from the Provincial Treasury for this purpose.

During the past year, good progress has been made by the Commission established for the purpose of defining co-terminous boundaries for School Divisions and Municipal Districts and it is anticipated that the work of this Commission will be completed during the current year.

In recognition of the complex problems relating to municipal and school administration and metropolitan development in the areas surrounding our major cities, my Government proposes to establish a Royal Commission to make a full investigation into these problems and recommend steps which, in the opinion of the Commission, will ensure the best possible development and administration of the Metropolitan Areas.

An important part of my Government's work in Civil Defence will be to forward the program of improved fire protection and prevention facilities in our municipalities. It is anticipated that the ensuing year will see the completion of the program of standardization of hose couplings and fire-fighting equipment, making mutual aid among municipalities possible in the event of civil disaster.

Among amendments to major legislation to be placed before you will be changes in The Alberta Labour Act, The Municipal Districts Act and The Assessment Act.

The Provincial Treasury Branch system experienced another successful year and provision will be made by my Government for the continued improvement and expansion of this public service.

The operation of The Municipal Capital Expenditure Loans Act will be continued and you will be asked to increase substantially the revolving fund established under this statute at the last session.

An extensive program of public works, designed to provide buildings and institutions necessary to the needs of the growing population of our Province, will be submitted for your approval.

The Public Accounts for the last fiscal year, together with the Estimates for the ensuing year, will be presented for your most careful consideration.

I leave you now to the business of this session in full confidence that you will discharge your duties and responsibilities in the best interests of all our people. I pray that Divine Providence will guide and bless your deliberations.

February 18th, 1954.

His Honour the Honourable the Lieutenant Governor then retired from the Assembly.

Ordered, That the Honourable Mr. Manning have leave to introduce a Bill intituled "An Act to repeal The Oil and Gas Fields Public Service Utilities Act".

He accordingly presented the said Bill and the same was received and read a First time, and

Ordered, That the Bill be read a Second time tomorrow (Friday).

Mr. Speaker read the following certificate which had been delivered to him by the Clerk of the Executive Council:

To the Clerk of the Legislative Assembly of the Province of Alberta:

This is to certify that by virtue of a Writ of Election, dated the Seventeenth day of November, 1953, issued by His Honour the Lieutenant Governor and addressed to John Thompson Cuyler of Medicine Hat, as the Returning Officer for the Electoral Division of Medicine Hat, for the election of a Member to represent the said Electoral Division in the Legislative Assembly of Alberta in the room of John Lyle Robinson, by reason of whose death, since his election as representative of the said Electoral Division of Medicine Hat, the said seat has become vacant:

ELIZABETH GLADYS ROBINSON has been returned as duly elected to represent the said Electoral Division, as appears by the Return to the said Writ of Election, which is now lodged of record in my office.

(Sgd.) R. A. ANDISON,
Clerk of the Executive Council.

Edmonton, Friday, January 15th, 1954.

Mr. Speaker informed the Assembly that in order to prevent mistakes he had obtained a copy of the Speech of His Honour the Honourable the Lieutenant Governor, which was laid on the table.

On the motion of the Honourable Mr. Hooke, seconded by the Honourable Mr. Aalborg:

Ordered, That the Speech of His Honour the Honourable the Lieutenant Governor to this Assembly be taken into consideration tomorrow (Friday).

On the motion of the Honourable Mr. Casey, seconded by the Honourable Mr. Jorgenson:

Ordered, That the Votes and Proceedings of this Assembly be printed, having first been perused by Mr. Speaker, and that he do appoint the printing thereof, and that no person but such as he shall appoint do presume to print the same.

On the motion of the Honourable Mr. Gerhart, seconded by the Honourable Mr. Willmore:

Ordered, That the Select Standing Committees of this Assembly for the present Session be appointed for the following purposes:

1. On Privileges and Elections.
2. On Public Accounts.
3. On Railways, Telephones and Irrigation.
4. On Agriculture, Colonization, Immigration and Education.
5. On Municipal Law.
6. On Law Amendments.
7. On Private Bills, Standing Orders and Printing.

Which said Committees shall severally be empowered to examine and enquire into all such matters and things as shall be referred to them by the Assembly, and to report from time to time their observations and opinions thereon with power to send for persons, papers and records.

On the motion of the Honourable Mr. Aalborg, seconded by the Honourable Mr. Taylor:

Ordered, That a Special Committee be appointed, consisting of nine Members, to prepare and report with all convenient speed lists of Members to Select Standing Committees ordered by this Assembly, to be composed as follows:

THURSDAY, MARCH 11th, 1954

The Speaker took the Chair at 2:30 o'clock.

The Hon. Mr. Hooke, a Member of the Executive Council, by command of His Honour, the Honourable the Lieutenant Governor, laid on the table of the Assembly, Annual Report of the Department of Public Works.

(Sessional Paper No. 8)

Mr. H. J. MacDonald asked the Government the following questions of which he had given notice and which were answered by the Hon. Mr. Manning:

Q. To what persons or corporations have copies of the last report of the Petroleum and Natural Gas Conservation Board been made available?
When will copies be available to members of this Assembly?

A. 100 copies of the report were prepared upon its receipt and distributed to the applicants, Departments of Government and the press. 1500 copies were printed by the Queen's Printer, of which 681 copies had been purchased to the end of last week. No record of who received them is available.
Copies were distributed to Hon. Members of the Assembly last Thursday.

Mr. H. J. MacDonald asked the Government the following question of which he had given notice and which was answered by the Hon. Mr. Jorgenson:

Q. How many professional social welfare workers did the Department of Welfare obtain as permanent employees of that Department in each of the years, 1950, 1951 and 1952?

A. Assuming "professional social welfare workers" is intended to mean "graduates of recognized schools of social work" the following is the information requested:

Year 1950 — nil

Year 1951 — nil

Year 1952 — nil

During 1950 the only official appointed as a permanent welfare inspector specialized in psychology and holds a degree of Bachelor of Arts from the University of Alberta. In 1951 five welfare workers were appointed to the permanent staff, all of whom had previous experience in this type of work in addition to special training in the Department.

The one inspector appointed during 1952 is now on leave of absence while attending a recognized school of social work.

TUESDAY, MARCH 23rd, 1954

The Speaker took the Chair at 2:30 o'clock.

Mr. Hardy, Chairman of the Standing Committee on Agriculture, Colonization, Immigration and Education, presented the following report:

The Standing Committee on Agriculture, Colonization, Immigration and Education has had under consideration the matters affecting the shortage of teachers in Alberta, school construction and all matters relating to education.

The Committee recommends the following Resolution which has been adopted by the Committee:

"Whereas the hearings conducted by this Committee have afforded an opportunity to all interested groups and organizations to make submissions with respect to all matters pertaining to education including the teacher shortage and school construction; and

Whereas the submissions received by the Committee clearly indicate that it is necessary and desirable to promote the educational welfare of the pupils of the Province by overcoming the teacher shortage at the earliest possible time; and

Whereas it would appear that because of higher construction costs in the cities some special consideration should be given for increased grants to the cities;

Therefore be it resolved that this Committee urge the Legislative Assembly to recommend that the Government inaugurate additional features in the present program of teacher training and certification to achieve this result;

Be it further resolved that we recommend that consideration be given to an increase in construction grants to the cities."

Mr. Hardy moved, seconded by Mr. Hammell:

That the report be received and concurred in.

A debate followed.

The motion being proposed, Mr. Speaker declared the motion carried.

Leave to introduce the same having been granted, the following Bills were severally received, read the First time, and ordered to be read the Second time at next sitting:

Moved by Mr. Roper, seconded by Mr. Dushenski:

Whereas, this Assembly in the 1953 Session adopted a resolution requesting the Government to "give consideration to the enactment of legislation that will provide insurance protection to all who may be injured, to dependents of persons who may be killed and to those who suffer property damage in any accident in which a motor vehicle is involved"; and

Whereas, the enormously increasing toll of motor accidents, the corresponding rise in the cost of insurance and the increasing number of cases in which those suffering injury (or the dependents of those killed) receive no compensation because of the inability to establish responsibility for the accident, makes protection more than ever necessary, be it

Resolved, that this Assembly regrets that the Government has not presented to this Assembly in this Session any plan to provide insurance at cost for the protection of all the people of the province who may suffer injury or loss as a result of motor vehicle accidents.

A debate followed.

The motion being proposed, Mr. Speaker declared the motion lost.
